About Burks Carpentry

At Burks Carpentry, we specialise in qualified carpentry services tailored for the education sector. Whether it's refurbishing classrooms, replacing damaged infrastructure, or building new learning spaces, we provide skilled tradespeople who understand the importance of working safely and efficiently in a children's education environment.

We pride ourselves on clean, efficient work and clear communication from start to finish.

If you think we can help you, please reach out to book in a site visit for an assessment and quotation.

Stay compliant with new regulations.
Bring in qualified professionals when it counts.

Our Services

Our carpentry team offers an array of solutions from structural and finishing carpentry, to outdoor structures.

New Regulations - Are You Covered?

With constantly evolving regulations, it's essential to work with a qualified carpentry team that understands the education sector's unique needs - ensuring compliance, safety, and peace of mind.

Why choose us?

- **Fully Licensed & Insured**

We meet all state education department standards and Australian Building Codes

- **School-Safe Team**

Our carpenters hold valid Working With Children's Checks and adhere to child-safe policies

- **Efficient, Disruption-free service**

We work with you and around school schedules, ensuring minimal interruption to learning

TAILORED SOLUTIONS

Schools face unique challenges when it comes to building maintenance, upgrades, and safety compliance. That's why Burks Carpentry provides tailored carpentry solutions for education environments - with the expertise and reliability schools and education sectors can count on.

LET'S WORK TOGETHER

We support primary, secondary, and special education sectors with professional, responsive, and reliable carpentry services.
